

## **Players and managers:**

On **Monday, Oct. 21**, Cindy Glaze will be filming players and managers for the season video for the postseason banquet.

Filming will start at **3:40** in Coach Cleland's room. Please attend if you can. **Please wear something Delta Tennis ... team shirt, AIM High shirt, hoodie, etc.** It usually takes about an hour and a half to get through the filming, depending on how prepared everyone is. You can type out answers on your Google Drive if you want and we can project your answers on screen while filming ... or you can just answer without notes. That is up to you! (Bloopers are fun!)

## **Here are the questions she has asked me to share with you:**

### **Underclassmen:**

1. What tennis player do you look up to and why?
2. What is your best memory of this tennis season? This can be a tennis match or anything the team did together before or after the matches, or something you did. Can be funny or serious.
3. What makes Delta Tennis so successful year after year?

### **Seniors:**

1. What is your best memory of this tennis season? This can be a tennis match or anything the team did together before or after the matches, or something you did. Can be funny or serious.
2. What advice would you like to give the underclassmen?

4. What will you miss most about not playing high school tennis?
